

Hi AMSA,

At our general meeting today it was moved by the Denman & District Men's Shed Inc to endorse the proposed new Draft Constitution for AMSA.

All members present at the meeting read the short note by John and a couple read the full proposed new constitution, all had positive feedback.

We hope this will again pull all the states back together to work for the future of AMSA and the Men Shed movement to be one.

Yours truly,
Denis Chandler
Secretary.
