Chairman  
Australian Men's Shed Association  
66 King Street  
NEWCASTLE NSW 2300

Dear Kevin,

I write on behalf of the Lower Mountains Men's Shed to affirm our support of the Australian Men's Shed Association.

We value the support of the Association gives through its printed resources, which we use regularly. These resources help us avoid 'reinventing the wheel' and help us be aware of the wide range of issues requiring attention in establishing and running a viable shed.

We value the work the Association has done in securing insurance that is affordable and easy to access.

We value the work the Association does in coordinating and distributing grant money that becomes available from government so the most effective use is made of these scarce resources.

Thank you for your work.

Yours faithfully,

Bill Crossan  
President  
Lower Mountains Men's Shed
