Australian Men's Shed Association Limited

Directors' Report 30 June 2017

Your directors present their report on the Company for the financial year ended 30 June 2017.

Directors

The names of the directors in office at any time during, or since the end of the year are:

Names

Graeme Curnow	
Paul Sladdin	
Bryce Routley	
Kevin Callinan	
John Sharples	
Anastasios Mousaferiadis	Appointed 24 August 2016
Stuart Eustice	Appointed 24 August 2016
Trevor Taylor	Appointed 11 October 2016 Resigned 12 October 2016
Peter Hendry	Appointed 12 December 2016
Charles Trafford	Appointed 12 December 2016
Neil Sperring	Appointed 12 December 2016
Lindsey Oates	Appointed 12 December 2016 Resigned 16 May 2017

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Company secretary

David Helmers from 1 July 2016 to 12 May 2017.

Matthew Plumridge from 12 May 2017 to current.

Principal activities

The principal activities of Australian Men's Shed Association Limited during the financial year was the promotion and provision of advice for the establishing, operating and management of Men's Sheds across Australia.

No significant changes in the nature of the Company's activity occurred during the financial year.

Operating results

The Company recorded a surplus of \$183,171 (2016: \$24,666).

Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Company during the year.

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

Australian Men's Shed Association Limited

Directors' Report

30 June 2017

Future developments

Likely developments in the operations of the Company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Company.

Environmental issues

The Company's operations are subject to various environmental regulations under the laws of the Commonwealth and State of Australia. The Board believes that the Company had adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

Meetings of directors

During the financial year, 6 meetings of directors were held. Attendances by each director during the year were as follows:

	Directors' Meetings	
	Number eligible to attend	Number attended
Graeme Curnow	6	5
Paul Sladdin	6	4
Bryce Routley	6	5
Kevin Callinan	6	6
John Sharples	6	6
Anastasios Mousaferiadis	5	4
Stuart Eustice	5	5
Trevor Taylor	1	1
Peter Hendry	3	3
Charles Trafford	3	3
Neil Sperring	3	3
Lindsey Oates	1	1

Indemnifying officers or auditors

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of Australian Men's Shed Association Limited.

Australian Men's Shed Association Limited

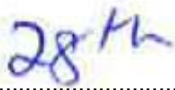

Directors' Report 30 June 2017

Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 30 June 2017 has been received and can be found on page 3 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Director: 

Dated this  day of  2017

AUSTRALIAN MEN'S SHED ASSOCIATION LIMITED

AUDITOR'S INDEPENDENCE DECLARATION UNDER SECTION 307C OF THE
CORPORATIONS ACT 2001

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2017, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* and the *Australian Charities and Not-for-Profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AUSTRALIAN MEN'S SHED ASSOCIATION LIMITED

Report on the Financial Report

Opinion

We have audited the financial report of Australian Men's Shed Association Limited, which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Australian Men's Shed Association Limited is in accordance with the *Corporations Act 2001* and the *Australian Not-for-Profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2017 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Australian Men's Shed Association Limited

Directors' Declaration

The directors of the Company declare that:

1. the financial statements and notes for the year ended 30 June 2017 are in accordance with the *Corporations Act 2001* and:
 - a. comply with Accounting Standards and the *Australian Charities and Not-for-Profits Commission Act 2012*; and
 - b. give a true and fair view of the Company's financial position and performance in accordance with the accounting policies described in Note 1 to the financial statements of the Company;
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

1 Summary of Significant Accounting Policies

(a) Statement of compliance

The financial report is a general purpose report which has been prepared in accordance with the Corporations Act 2001, Australian Charities and Not-for-Profits Commission Act 2012, Australian Accounting Standards and Interpretations, and complies with other requirements of the law.

(b) Basis of preparation

The financial report has been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets. Unless otherwise indicated, all amounts are presented in Australian dollars.

(c) Comparative figures

Comparative figures have been adjusted to conform to changes in presentation for the current financial year where required by accounting standards or as a result of a change in accounting policy.

(d) Property, plant and equipment

All property, plant and equipment is stated at historical cost less depreciation.

Depreciation

The depreciable amount of all fixed assets, excluding freehold land, is depreciated on a straight-line or diminishing value basis over the asset's useful life to Company commencing from the time the asset is held ready for use.

Assets held under a finance lease are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

The depreciation rates used for each class of depreciable asset are:

Furniture, Fixtures and Fittings	10 - 20%
Office Equipment	33.3%

The asset's residual values and useful lives are reviewed, and adjusted for if appropriate, at each balance date. An asset's carrying value is written down immediately to its recoverable amount if the assets carrying amount is greater than its estimated recoverable amount. The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income.

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

1 Summary of Significant Accounting Policies (cont'd)

(e) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is the equivalent to the date that the Company commits itself to either purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

The Company does not designate any interest as being subject to the requirements of accounting standards specifically applicable to financial instruments.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held-at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(g) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits. These cashflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cashflows.

(h) Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(i) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(j) Income tax

The company is exempt from income tax pursuant to s.11-5 of the Income Tax Assessment Act 1997.

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

1 Summary of Significant Accounting Policies (cont'd)

(k) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payable are stated inclusive of GST.

Cash flows are presented in the statement of cash flows are included on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(l) Government grants

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants relating to assets are credited to deferred income at fair value and are credited to income over the expected useful life of the asset on a straight-line basis.

(m) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the reporting date and where the outcome can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

(n) Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

(o) Capital risk management

The company manages its capital to ensure it will be able to continue as a going concern while maximising the return to members through the optimisation of the debt and equity balance. The company's overall strategy remains unchanged from 2016.

The company's not subject to externally imposed capital requirements. Operating cash flows are used to maintain and expand the company's assets, as well as to make the routine outflows of tax, supplier payments and repayment of maturing debt. The company's policy is to use borrowing facilities as available.

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

1 Summary of Significant Accounting Policies (cont'd)

(p) New accounting standards and interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Company has decided against early adoption of these Standards. The following summarises those future requirements, and their impact on the Company:

AASB 9: Financial Instruments (December 2010) and associated Amending Standards (applicable for annual reporting periods commencing on or after 1 January 2018).

AASB 15: Revenue from contracts with customers and associated Amending Standards (applicable for annual reporting periods commencing on or after 1 January 2018).

AASB 16: Leases (applicable for annual reporting periods commencing on or after 1 January 2019).

These standards are not expected to have a significant impact on the Company's financial statements.

(q) Critical accounting estimates and judgements

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Estimation of useful lives

The Company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated, or technically obsolete or nonstrategic assets that have been abandoned or sold will be written off or written down.

Provision for doubtful debts

The valuation of provision for doubtful debts is estimated by considering the ageing receivables, communication with the debtors and prior history. The directors determined that a \$1,100 provision for impairment of receivables was an appropriate provision based on aged receivables and debtor days.

Long service leave provision

As discussed in Note 1, the liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

3 Key management personnel (cont'd)

2 Surplus for the year

(a) Revenue

	2017	2016

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

18 Cash Flow Information (cont'd)

(b) Reconciliation of cash

	2017	2016
	\$	\$
Cash at the end of the financial year as shown in the statement of cash flows is reconciled to items in the statement of financial position as follows:		
Bank balances	579,801	728,814

Included in the total bank balance above is a cash balance of \$29,694 relating to the NSW Mens Shed Association. AMSA hold these funds on behalf of NSW and therefore a corresponding liability has been recognised at 30 June 2017 (2016: \$33,833).

19 Financial Instruments

(a) Significant accounting policies

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in Note 1 to the financial statements.

Interest Rate Risk

The Company's cash reserves are subject to interest rate risk, but the company is not dependent on this income.

Maturity profile of financial instruments

The following table details the company's exposure to interest rate risk as at 30 June 2017 and 30 June 2016:

	Effective Interest Rate		Floating Interest Rate		Non-interest Bearing		Total	
	2017	2016	2017	2016	2017	2016	2017	2016
	%	%	\$	\$	\$	\$	\$	\$
Financial Assets:								
Cash at bank	0.60	0.95	579,801	728,814	-	-	579,801	728,814

Financial Liabilities:								
Trade and sundry payables	-	-	-	-	48,051	212,395	48,051	212,395
Employee provisions	-	-	-	-	74,684	56,950	74,684	56,950
Total Financial Liabilities			-	-	122,735	269,345	122,735	269,345

Australian Men's Shed Association Limited

Notes to the Financial Statements for the Financial Year Ended 30 June 2017

19 Financial Instruments (cont'd)

(b) Credit risk management

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers. As the overwhelming majority of the company's revenue are government grants, the directors' consider credit risk to be minimal.

Fair value of financial instruments

The directors consider that the carrying amount of financial assets and financial liabilities recorded in the financial statements approximates their fair values (2016: net fair value).

(c) Liquidity risk management

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

(d) Market risk

As a resource centre for Men's Sheds across Australia, the directors' consider market risk to be minimal.

There has been no change to the Company's exposure to market risks or the manner in which it manages and measures the risk from the previous period.
