WELCOME TO THE AMSA

The Australian Men's Shed Association (AMSA) is the peak body supporting almost 1000 Men's Sheds and is recognised as one of Australia's largest male based community development organisations.

AMSA was established in 2007 by the Australian independent community-based Men's Sheds to represent, support and promote the Men's Shed movement. It was founded on the principle of sharing information between sheds and those communities wishing to establish and operate a Men's Shed. It acts as a central hub for information exchange.
